Offer Of Lots For Pool Made By WRASA Founder

Offer of lots to build the proposed swimming pool for White Rock was made Thursday by Mrs. Edith Vidal, founder of the Amateur Swimming Association here.

Mrs. Vidal told the annual meeting and banquet of the White Rock Amateur Swimming Association held at the Silver Moon she would be glad to donate her lots for a winter pool for the swimmers of this City. The pioneer resident gave \$20 to the WRASA.

Mrs. Vidal recalled how the club had started from a couple of logs and a few children in 1920 to a record of 1,100 members in 1957. This was an all-time high for the club membership.

W. E. Johnson, who worked in organizing the club some 37 years ago with Mrs. Vidal, was presented with the honorary life membership to the club by Mrs. Kathy Mayers.

Mrs. Johnson commended the club for its contribution toward the youth of the area and said she would assist the

WRASA as long as he is able. An honorary life membership was also presented to Mr. G. E. Berry, secretary of the club, who is at present, a patient in Shaughnessy Hospital.

Mrs. E. M. Croftfield has donated a cup to the club to be used as the second prize in the Coldcutt Swim. The cup will be known as the Percy Norman Trophy.

Those who have acted as beach secretary since Mr. Berry's illness were Mrs. Winch, Mrs. Peggy Proctor, Mrs. Vi Arnold, Mrs. Marg Stevenson and Mrs. Molly Shaw.

Mrs. Ruth Johnson was re-elected president of the Association for the coming year.

Other officers are Coulson, vice-president; Norah Coulson, secretary; Ellen Stevenson, treasurer; Howard Mayers, Kathy Mayers, Andy Stevenson and Mary Beales, directors; Hazel Powell, historian; Mrs. A. Hawkes and Mrs. Kathy Mayers, Cup Stewards.

COUNCIL BREVITIES

Ladner Council has asked White Rock Council to enforce a bylaw which excludes ashes from the City garbage collection which is dumped in the Ladner incinerator near Scott and McEllan Roads. Ladner pointed out that ashes were clogging the incinerator and if residents put ashes in another container they could be kept separate from other garbage. City Council will investigate.

Council has instructed the Superintendent of Public Works to make any necessary adjustment in the pay of the garbage truck driver. The Superintendent pointed out the driver spends an average of 40 minutes per day on greasing, garaging and changing oil in the garbage truck after his regular working day.

Account for \$74 for janitor service at the RCMP office has been paid by Council. Council will also contact the Social Welfare Office with a view to suitable persons making application for the post of janitor at the Police Office.

Council has accepted a suggestion by the Superintendent of Public Works that a stock of 100 tons of M.C. 2 Cold Paving Mix be purchased and stockpiled in the City yard at an estimated cost of \$525.

Superintendent of Public Works has been authorized by Council to clear the road allowance on the property adjacent to 14391 Marine Drive which belongs to the City. Owner of the property at 14391 Marine had asked Council to provide access to his home. The Superintendent pointed out to Council that it was not practical to construct an access road.

Hodgson, Pitman, Burrows, Run For Mayor; 11 Aldermanic Candidates

Provisional Mayor W. (Bill) Hodgson announced Tuesday his intention of defending his seat in White Rock's first Civic Election set for Sept. 19.

Mayor Hodgson told the Semiahmoo Sun that as he had started as an alderman and later was appointed mayor by Victoria he would like to try for the mayor's post in the election.

"I have every faith in the future of White Rock and I would like to play a part in proving Incorporation was the right move," the Mayor said.

"I feel that if it is the will of the people to return me to office White Rock will have a sound, economic and efficient administration."

"It is up to the people of this City and I am certain they will not wait while they pay for 'Incorporation,'" he concluded.

A good, sound administration has been advocated by Col. E. A. Pitman, Ward Seven councillor for four years, who will stand for mayor in the city election.

Col. Pitman came to White Rock in 1946 and has been prominent in the Canadian Legion here ever since. He also headed Surrey's Civil Defence for four years.

Former White Rock Councillor Jack Burrows who termed Incorporation "the will of the people" and who fought the proposed Federal airport here will also contest the mayor's seat Sept. 19.

Mr. Burrows served as White Rock's representative on Surrey Council for 16 months prior to Incorporation and stood in the recent Delta nominating race against Dr. Gordon Gibson. Dr. Gibson was chosen by the Social Credit party to stand in the Sept. 9 provincial election.

Department of Transport in Ottawa announced they had dropped plans to construct a

secondary airport here following spirited protest by residents. Jack Burrows was instrumental in bringing about the protest.

Fourth candidate for the mayors post is Sid Suddes, president of White Rock Ratepayers Association, and former chairman of the Sea Festival Society.

In the aldermanic running, Mrs. Jessie Lee, a member of Surrey School Board for three years, and now a teacher at White Rock Elementary school, has announced her intention of standing for office.

Mrs. Lee, whose husband, the late John Ormsby Lee, was a Customs Appraiser and well-known Scout Commissioner here, resumed teaching following the death of her husband in 1952.

Mrs. Lee has been president of CARS since its formation in White Rock three years ago and organized the first VON auxiliary here. She has resided in White Rock for 20 years.

Another feminine candidate who will stand for office is Mrs. Lilian Browne, first woman to be chosen in Canada to take accountant office's training at the Cornwall Base during World War II.

Mrs. Browne served with the WRENS from 1943 to 1946, joining in Montreal and attaining the rank of Lieutenant.

In the New Year's Honours of 1946, Mrs. Browne was granted the M.B.E. by His

Fall Session Of Legislative Demanded By Bill Wilson

At a meeting in Surrey on Tuesday Bill Wilson, Delta Liberal Candidate, demanded a Fall session of the Legislature. He pointed out that although the Social Credit Government say that conditions are good, we are faced with several serious problems.

Schools are opening with a shortage of teachers and classrooms. There is every indication of severe winter unemployment. Rising local taxes and the increased cost of living are causing grave concern to those on fixed incomes — retired people and pensioners. Labour unrest in the past six months has hit an all-time high. Farmers are facing their

greatest test of survival in years. Solutions must be found for these problems, and many more that are threatening the well-being of the people in this province.

Bill Wilson pointed out that the only way to place these matters forcibly before the House is by the election of an opposition member — not merely a seat warmer. If elected, Bill Wilson will call on Premier Bennett for a Fall Session of the Legislature to deal with the Forest, the school and teacher shortage, and the unemployment question.

B.C. Prepared To Meet Higher Basic Pension Rate

Health and Welfare Minister Eric Martin, speaking at New, today, indicated in no uncertain terms that his government in Victoria were quite prepared to pay a higher old age pension rate for the Province of B.C., but his suggestion got nowhere. This he explained, was because B.C.

presently pay the highest bonus to old age pensioners of any Province in the Dominion, and that if the basic rate were raised in the Province, other than Alberta, would face serious financial troubles in meeting the obligation. British Columbia also pay the highest Social Assistance anywhere in Canada. The provincial government pay 80 per cent of all Social Assistance and the Municipal government cover the other 20 per cent. Continued on Classified Page

Canadian Legion Lends Support To Youth Projects

White Rock Branch No. 86 of the Canadian Legion has again indicated its support of youth movements both locally and provincially with the approval of a \$350 grant towards two young peoples' projects.

Executive of the Branch has granted \$200 toward the completion of the Scout-Guide Hall on Canadian Legion property on Johnston Road and an additional \$150 to the Boys' Town project at Roberts Creek which is receiving support from all Legion Branches in B.C.

Purpose of the Roberts Creek project is to provide education and rehabilitation to young first offenders, pre-delinquent youths and those

who come from broken homes. Officials feel that such a project will make for useful citizens in the future rather than hardened criminals.

FROM BINGO FUNDS C. H. MacElhinney, publicity officer for the local Branch, reports the money was raised from Saturday night bingo games held weekly at the Legion Hall under the sponsorship of Branch No. 8.

Mr. MacElhinney spoke on the need for support of the Scout-Guide Hall and the Boys' Town project before the bingo game Saturday night.

Canadian Legion here has striven to promote the Scout and Guide movement at White Rock for a number of years.

CCF Shepherd Calls For Stronger Opposition

Green Timbers, Sept. 2: "For good government in B.C. we must strengthen the opposition in the Legislature," said L. A. Shepherd, CCF candidate in Monday's election when speaking to a capacity crowd in the Red Cross Hall here. "Even supporters of the government admit a mistake was made last Fall in giving the government such an overwhelming majority. Voters in the Delta Riding," continued Shepherd, "have an opportunity to create a better balance in the House by electing a CCF member to the legislature."

Shepherd maintained that major highway bridges should not be subject to tolls, especially in a province where such swollen revenues and surpluses are reported by its government. He stated he was opposed to tolls on principle.

The railroading of the Municipal Act through the House came under fire from Shepherd, as did the "Big Stick" methods of dealing with labor and Civil Servants. These he

cited as instances of the autocratic outlook of a government with too much power.

"Holiday" Weekend Closing Starts Sept. 9

White Rock stores were open all-day Wednesday or the first time since January, of 1917.

But City residents must get used to every weekend being a "holiday" weekend since the bylaw passed by Council will enforce all-day closing on Mondays starting Sept. 9. Council gave final endorsement to the bylaw Tuesday.

A recent survey taken by White Rock Board of Trade showed majority of merchants in favour of Monday closing. The new Municipal Act allows for cities and municipalities to adopt such a bylaw.

Monday closing was also approved by Surrey Municipal, at the end of June.

Wednesday closing was sanctioned by voters at White Rock and Surrey in 1917 and adopted by Municipal Council shortly after.

GRAND CHAMPION DUCK at the Pacific National Exhibition owned by Shamrock Farms of Crescent Beach, and shown by Les Stirling.

SCOUT NOTES

Leaders have the "Itch to get going"

By Ken Whipple.

Scouters and Guides, unlike officials of other organizations who, in our Canadian way of life tend to slack

off during the summer months; have carried on camping and outdoor activities and now stand prepared for the winter phase of Scouting. In other words all pepped up and itching to get going. It is only during Scout and Guide Camps or Cub, Brownie Pack, Holidays that a Scout or Guide will really gain the affection and implicit trust of the youngsters in these Scouting adventures.

Full steam ahead is now the slogan and Scouters and Guides alike need to do some real planning ahead. Where to meet is of course the main problem this year and our new Scout Guide Hall is far from ready. Many well established Scout Troops, and Guide companies of White Rock are in a quandary.

Brownies ready to Fly up into Guides — Cubs ready for Scouting and their Leaping Wolf Badges new boys and girls attracted to the movement and ready to join but—No Place to go. So now—to day let's all get cracking and be sure these 250 White Rock youngsters can be trained in the finest tradition of B.P. Scouting. Full Steam Ahead, White Rock!

Choral Group Start Fall Season

The first practice for members of the White Rock Choral Society will be held Monday, Sept. 9 at 8 p.m. in the Buena Vista Hall, Stevens St. Conductor: Carrie B. Splitt has announced an interesting programme for the coming season. It will include rehearsals for Gilbert and Sullivan's "Pirates of Penzance," to be given in the Spring, and a repeat performance of last

year's very popular rendition of "The Mikado," to take place in April.

The sacred work for the season will be a full rendition of the cantata "The Great Light," sometime before Christmas, probably in late November or early December, Mr. Splitt said.

New singers will be cordially welcome, the conductor added.

"There is an urgent need for young voices in the choral group," he said, "and therefore any high school student or young people interested in music as a career should take advantage of the opportunity afforded them of working in a group of singers and musicians."

Practices of the group are held weekly on Monday nights.

Weatherly On Zoning Board

George Stewart Weatherly, 2460 Johnson Road, has been appointed government member of the local zoning board of appeal.

Earlier council had appointed Wilbur Dawson, manager of the Washington Avenue branch of the Bank of Montreal, as the city's member on the board. The zoning act requires the city to appoint a member, the lieutenant-governor in council to choose a second and together the two appointees pick a third.

Promises make friends, but it takes performance to keep them.

Fraser Valley Exhibition Opens In Cloverdale

A record number of entries is expected to compete for nearly \$10,000 in prizes this month at the Fraser Valley's biggest and oldest fall fair. The 69th annual Lower Fraser Valley Exhibition will be held at the Fair Grounds, old McLellan Road, Cloverdale, on Sept. 12, 13 and 14.

Special attractions at the three-day fair this year will include chuck wagon and harness horse racing, high rigging exhibition, midway and gymkhana.

The prize list totalling almost \$10,000 makes the fair the biggest Class B exhibition in B.C.

E. E. Aldersley, secretary-treasurer, said indications are that there will be a record

Women's Institute Win PNE Prizes

Mrs. David Wise, Halsewood Street, won a 4th prize in the handicraft section of the PNE for soft toys.

Other members of the local Women's Institute to capture prizes in the big exhibition included Mrs. Bryden, Prospect Ave., who won a 2nd for weaving.

Centennial Safety Certificate

On the Labour Day weekend just past the Hon. Lyle Wicks, Minister of Labour, announced that the Department of Labour will award a Centennial Safety Certificate to firms which win worthy safety records.

Designed to be part of British Columbia's Centennial Year activities, the Certificate will be given to firms who qualify by completing a record of consecutive, compensable lost time, injury-free man-days worked in excess of a target set out for each class of firm, using 10,000 accident-free man-days in the logging industry as a standard. While the target number of man-days must be completed during the period January 1st to July 31st, 1958, firms may commence to accumulate the necessary number of days starting any time prior to that time.

Application forms for the Certificate are being mailed to firms together with a list of target man-days for the various classes and subclasses of industry according to Workmen's Compensation Board ratings.

The Minister also announced that it was his intention to appoint a Centennial Safety Committee in which Labour and Industry will be asked to participate. By everyone taking an active part in the Safety Campaign, the Minister said he felt British Columbia will be a safer place to work in as well as a place in which to celebrate One Hundred Years' Progress.

Aiding Young Artists

If B.C. and Canada fail to produce top-flight artists in the next generation it will not be the fault of the Federation of Canadian Artists.

Groups of students under the Painting in the Parks Classes have been organized by this ambitious organization for some years now. They have been held in our community for three summers. Other cities and villages where the excellent work of encouraging youngsters to express themselves through the delightful medium of design and colour have been Kitimat, Prince Rupert, Terrace, Chilliwack, Langley, Victoria, Beach Grove and Ladner, as well as the parent centre of Vancouver where the classes first started.

Now a well-known pulp and paper company have offered prizes for a competition in which over 1400 Art Students from the age of 6 to 16 will have the opportunity of entering. To be eligible these students must have been registered for the 1957 Painting in the Parks Arts Classes sponsored by the Federation.

First prize in the competition for the Greater Vancouver Group is a \$200 bond for educational purposes, and a second prize of a \$50 bond with 32 additional painting scholarships to winter and summer art classes in the area.

Awards will also be given this year by the Paper Company to encourage development of the out-of-Vancouver classes. These consist of a \$50 bond for educational purposes and a \$25 bond as second prize and 16 additional summer art class school scholarships.

Names of the winners in the competition will be announced at a special gallery opening and previewing in the Vancouver Art Gallery. The exhibition will be open to the public from September 7 to September 29.

White Rock has produced some very promising young artists under the guidance of the Painting in the Parks classes. It is to be hoped some of their names will be included in the list of prize winners. It is also to be hoped that every encouragement in the way of attendance at the gallery showing will be given to our "Artists of Tomorrow."

Sub-division Headaches

The New Municipal Act has already been the cause of several severe headaches on the part of unwary taxpayers. From stories circulating in our own neighbourhood it would appear that the Department of Municipal Affairs may share in the misery before the necessary re-vamping of the Act takes place.

Latest report to reach us is of an unlucky resident who wished to sell his home and sub-divide the property, a pretty large one, into two lots.

To the extreme astonishment of the would-be-subdivider, he was told that he could not do either. The total frontage of his property was less than the one-tenth of the total perimeter clause prescribed in the new Act. When he contacted a real estate firm he found that they, too, were quite unaware of the situation.

This, it would seem to us, is pretty extreme. We grant that the whole process of sub-dividing was in need of stricter controls if urban sprawl was to be avoided. Plans for development of large tracts of land under supervision and with an eye to the future welfare of a whole community were long overdue.

But in laying down rules for such tracts of land it was surely necessary for the law-makers to take into consideration the hardships likely to be worked on the small landowner.

When the new Municipal Act was put through last session, it was soon evident that some of its huge contents had not been properly pre-digested. It was later hinted that certain sections would come up for re-consideration and revision.

This situation where a landholder cannot sell his home or divide his very large lot because of the "one-tenth of the perimeter" clause is surely a case in point. All property holders who might encounter the problem would be well advised to turn to the local Zoning Board of Appeal or to write letters of protest to Victoria.

Know Your British Columbia

CENTURY SAM SAYS

Century Sam, a pioneer Fraser River gold-miner in 1858 made his stake and holed up for the winter. Like Rip Van Winkle he slept for years. Only a few months ago he was awakened by the stir of the approaching Centennial celebrations. Amazed at the changes which have taken place, Sam now tells something of B.C.'s past, contrasting it to the present. As to our future he says, "You ain't seen nothing yet."

By Century Sam.
Mr. Begbie who I wrote you about last time, was our first B.C. judge. He and the Governor, Sir James Douglas, were what you could call our founding fathers. I knew them both—not well, of course, but enough to say "hello" to.

Well, they were both characters. Strong characters, good characters if you want, but mainly characters.

Look back and you'll see that the fellows that make history are all characters—outstanding, odd, different—positive.

In 1858 with the Fraser and the Cariboo the big need was for law and order.

Begbie was law and Douglas was order.

Douglas was pretty well Mr. B.C. He'd been governor of the H.B.C. of Vancouver Island, of the Queen Charlottes and now they made him Governor of the B.C. Crown Colony (the mainland).

Well, he looked like that. He had a kind of cold, formal way. I guess it came from him dealing for so long with people that might have been a trouble to him, such as the natives in the old wild Indian days.

DUTY FIRST

He was not what I'd say

popular. But he was sure respected. He had Duty written all over him.

He was a shrewd business man, he was an organizer, a diplomat and he was very religious.

When he was Chief Factor, for instance, he set himself certain things that he wanted to do (aside from making money in business). "The moral renovation of this place—Abolition of slavery (among the Indians)—Will lay down a principal and act upon it—Will build a church."

He was a kind of travelling government. He went up and down the country looking into things. He was smart and tough. And he needed to be.

A hundred years ago was the Wild Frontier, full of men that had the gold fever. Douglas and Begbie was just what the doctor ordered.

"STRICTLY" HUMOROUS

A few personal notes—He was not exactly a humorous man, but he liked getting fun out of practical things, such as being sure to stand alongside "Little" Murray Yale, the Chief Trader who was a small man and knew it. Another thing I was told Douglas used to do was to clip out funny stories and put them in a scrap book—carefully label them "Amusing," so's he could tell later. He had a real canny, maybe Scotch way with him. Like when he ordered clothes from England he'd ask them to be sure the trousers were very hard-wearing, and to fix any seams so they could be let out, if need be.

You could say about him that he could see ahead as well as around him. I'll tell you more later.

(To be continued.)

White Rock.

August 30, 1957
To the Editor,
Semaahmoo Sun

Dear Sir:
May I suggest that you draw the attention of all taxpayers who own land which they hope to subdivide, to Section 709 of the new Municipal Act. This states that—in no case shall any parcel of land in any subdivision have less than one-tenth of its perimeter fronting on a highway.

So taxpayers get out your pencils and do a little simple arithmetic. Add the sum total

of all sides of your land and if one-tenth of that does not front on the road in front of or at the back of your property you will be forced to pay taxes on land which you cannot subdivide. And while you have your pencil handy why not write to the Hon. W. D. Black, Provincial Minister of Municipal Affairs and ask him for an explanation. Hundreds of people will be affected and if hundreds of letters are sent expressing indignation something should be done. Otherwise, well you'll pay your money but you'll get no choice. I have it on good authority this Act was rushed through at the last minute and was not given any study.

Indignant Taxpayer.

(Tides at Crescent are 20 minutes in advance of White Rock Reference Station, Point Atkinson, Standard Time).

LET'S HELP OURSELVES.

Many overlook much hopefulness, have that habit of repining. They never stop to think, clouds must have a silver lining. The very thought of this, helpful and true indeed. Could ease worry, grief, et cetera, but they somehow take no heed.

There are some with real trouble, I'm sure we must admit. Yet they go on with their chins up, and that takes real grit. To face what is before them, the hurdles that they meet. For they know full well submission, will head them for defeat.

Reminds me this city with its future, you wish it well, oh yes.

You want progress and prosperity, but we may as well confess.

While all this is very nice, and we'd like to have such soon. Achievement won't be ours, by looking at the moon. You know most of us just jog along, as if there's nothing we can do.

So if we won't sow, we sure won't reap, I hope you agree that's true.

W. F. MCCLINTOCK

The COMMON ROUND

BOUQUETS to the Superintendent of Public Works, and to the City Council who must have given him the go-ahead signal for the job just completed of filling in the drain, age ditch on Washington Avenue near Elm Street leading under the G.N. tracks. This bit of work has added greatly to the appearance of the waterfront and increased the area available for parking. If this kind of good work keeps up, we may live to see the fulfillment of a good many of our dreams for the betterment and beautification of our seaside. Yes, I know, we have still a long way to go, but the crabs have just to remember how many years have gone under the bridge with little progress in these matters and then take a long serious look at what has been accomplished under an appointed council. It's a lesson to all would-be aspirants to seats on White Rock's first elected council.

MOST ASTONISHING education theory I have ever heard advanced was included in a city daily column last week. It was a supposed "quote" from a high school principal, who was attempting to explain why some courses in the school are "dull." Said the H. S. P.: "Some subjects are deliberately made dull and complex and forbidding, in order to make the pupil face up to disagreeable study." Well, well, I had always held to the belief that algebra was algebra, compound fractions were compound fractions, Latin was Latin and so on. If they were difficult for some people I assumed (foolishly maybe, that it was lack of grey matter, or a particular kind of grey matter, and let it go at that. It certainly never occurred to me to suspect that

the instructors were deliberately making the subject "dull" in order to prepare their pupils for tough spots ahead in life. Nor do I think so now. There's an awful lot of foolishness passing muster as psychology these days. Education is one of the worst sufferers at the hands of the pseudo-psychologists. But it's saddening to see an educationist guilty of adding to the general confusion. Or maybe he was wrongly quoted. We'll hope so.

BICYCLE RIDING on side-walks is to be curbed in North Surrey, I see. I'll be glad to read one of these days that White Rock City Council has taken steps to lessen the evil here. With as many elderly residents as we have in White Rock it is more than ever imperative that youngsters (some of them long past the 10 year old mark) are made to keep the law in this matter. A broken hip or worse could be the result for an innocent senior citizen if he meets a heedless bike rider around a corner some day.

This and That

LAUGHING GAS

A housewife, returning an egg she had borrowed, stepped inside her neighbour's kitchen and called out: "I'm going to lay an egg here on the kitchen table." Came a deep male voice from the next room: "Wait a minute—this I've gotta see!"

JOYS ENHANCED

Silently we suffer
The ills that fate decrees.
Cringing at life's cruelness—
Seeking soft succor,
Protesting inwardly—
Or praying on our knees.
Yes, silently we suffer—
Arise and carry on.
And find all joys enhanced
Because we've suffering known.

Crescent Beach. Violet Dynes.

Don't burn your bridges behind you until you are sure the road ahead is clear.

DELTA ELECTORAL DISTRICT 1957

PUBLIC NOTICE is hereby given that the following persons have been appointed by the several candidates in the above electoral district to act as their respective agents:

HUNTER VOGEL, Cloverdale Paint, King George Highway, North Surrey, B.C. Manager Director, agent for Gordon L. Gibson.

GEORGE A. PATTERSON, Siddons Road, Cloverdale, B.C., Municipal Employee agent for Leonard Alec Shepherd.

(Mrs.) **Mary A. Harmon**, 750 Granville Avenue, Richmond, B.C., housewife, agent for Peter Alexander Wolanski.

CHARLES MCGREGOR STEWART, 14335 72 Avenue, North Surrey, B.C., retired, agent for Peter Gidora.

WILLIAM E. STAGG, 18535, Maddaugh, Cloverdale, B.C., Merchant, agent for William F. Wilson.

JOHN GALT WILSON, 1141 Vidal Street, White Rock, B.C., Solicitor, agent for Gordon Craig Frazer.

GIVEN under my hand at Whalley, North Surrey, B.C., this thirtieth day of August, 1957.

Alfred W. Hamelin,

Delta Returning Officer.

In the Garden

By G. E. Sery,

Select Evergreens For Decoration

Many times home owners have said, "I don't know what to do about planting evergreens. I've already spent several hundred dollars on them and have almost nothing to show for it." A professional landscaper, during the course of a conversation on gardening said, "Despite all the natural beauty and appeal of evergreens, the desirable effect is often lost because they are so frequently misused by the home gardener, largely because they are misplaced and ill-chosen."

A little study and care in selecting, placing and planting will help the gardener avoid this bad luck with evergreens. The size, form, texture and colour of the evergreens must be considered in regard to the site of planting.

PLAN LOCATION

First visualize what shape of plant you should have for that particular location. There are four distinct forms among evergreens: first, the spiky, form which may be separated into the large type like that of the Spruce, and the small, more slender pyramidal type; second, the round or globe-like type; third, the

spreading or shrub type; and, fourth, the creeping form. Each evergreen plant shows its distinctive form when small and will continue to grow in the shape, in most cases, as long as it lives. This is not true with most deciduous plants. Consequently one should be more able to choose the proper evergreen for each planting if the ultimate height is remembered.

Next consider the purpose for which you intend to use the evergreens. The smaller members of the pyramidal (spiky) group, such as the Irish Juniper and Red Cedar, are used as accents at the corner of the house, beside the doorway, on either side of a wall fountain, at the corner of a formal garden, and similar places.

The round or globe-like shape plants are used primarily as accents in formal gardens and along each side of steps. Never set the globe-like evergreens in groups; they will not blend and merge together into a group any better than basket balls would.

The spreading type is probably the most useful of the

evergreens for foundation plantings and for general use about the small garden. This group includes such plants as the Pfitzer Juniper which will group together well, harmonize with deciduous shrubs and soften the severe lines of the more pyramidal forms.

The creeping evergreens may be used in the rock garden and for covering small slopes.

Many of the horticultural varieties with inverted forms, like the Sargent Weeping Hemlock, are grotesque, curious and should not be used in the planting around the home. Highly coloured varieties should also be omitted from the informal, naturalistic plantings but may be used sparingly as accents in a formal type planting. Remember, each type of evergreen has a preferred planting place and the type you buy will depend upon the location to be planted.

IT'S TIME TO TAKE GERANIUM CUTTINGS

Geraniums are such generous plants that new ones can be had from old ones by taking cuttings and rooting them in sand; and the best months to take cuttings are August and September. These will give you new plants which will bloom indoors during the winter.

Until the middle of September the sun is high enough so that the soil retains its warmth at night. Later in September the sun sets earlier and by midnight the soil has lost most of its heat. Then, there is danger of the young rootlet becoming chilled, thus retarding their growth.

Make each cutting at the node just below the leaf. Roots start more easily at this point. A cutting can be four or five inches in length. Remove the leaves from that part of the stem that is going into the soil.

Do not plant the cuttings immediately. Leave them in the shade for a day. This will help to keep them from "damping off" when planted. Plant by inserting the lower end of the stem in clean sharp sand or a mixture of half peat and half sand. Water carefully and place in a cold frame. Keep the cuttings shaded for about two weeks until roots begin to grow.

After roots are well developed on each cutting, the new plants can be potted. Be sure to take them indoors before there is danger of frost. Indoors, keep the new plants in a cool room until they become acclimatized, and during this period do not give them too much water to drink.

AND COLEBROOK PANORAMA RIDGE

A welcome is extended to Mrs. La Plant who will teach in Colebrook School for the forthcoming school year.

United Church Sunday School will commence the Fall season next Sunday. Primary classes start at 10 a.m. and intermediate and senior classes at 11:15 a.m.

Mr. and Mrs. Jack Bogle of El Monte, California, are holidaying with Mr. and Mrs. Dan Gariund.

Visitors on Sunday at the home of Mr. and Mrs. August Schaub included Mr. and Mrs. Knutson of New Westminster and Elita Shrouts of Medicine Hat, Alberta.

Mr. and Mrs. Dennis White have returned from a few days motoring to Seattle, returning by way of Victoria.

BABY CLINIC DATES

SUNNYSIDE NEWS

Mr. and Mrs. Mike Melynk and family of King George Highway were recent visitors to Princeton. While in that vicinity they called on Mr. and Mrs. C. Sehlis and family of Lumbeys.

Mr. and Mrs. Arthur Bagshaw entertained relatives last week. Their house guests included Mr. and Mrs. George West and Allan and Mrs. Ethel Lofent and daughter Patricia, who left early in the week for their homes in Prince Rupert.

G. W. Weiss of Stakte Road is a patient in the Royal Columbian Hospital.

Mr. Jennel of Clow Road is seriously ill in hospital and has sold his place here to Mr. and Mrs. Kemp. Their neighbors are sorry to have them move away and hope that health may return to Mr. Pennell.

Mr. and Mrs. Ernest McKay of Fanny Bay were guests of

Mr. and Mrs. G. S. Bill of Stakte Road for a few days recently.

Charles Colwell is a patient in White Rock Hospital. His friends hope his health will soon improve as he has been ill so many months.

Harry Dent Jr. has been having a couple of weeks holiday at his home on Stakte Road. He will return to his employment at Squamish at the completion of his vacation.

Health Board

To Meet, Sept. 11

The quarterly meeting of the Boundary Union Board of Health will be held Wednesday, Sept. 11, 1957, at 2 p.m. in the Kinsmen Health Centre in Cloverdale.

...TO MAKE YOUR BALLOT WORK!

If your ballot is to work it must either make possible an effective Government or ensure an effective opposition.

Today, in B.C., a vote for Social Credit is a vote wasted—because the Government already commands an excessive majority that allows it to ride roughshod over all minority viewpoints.

Only the Conservatives can form a truly effective opposition to safeguard your future. Because—to be effective—the opposition must be capable of forming an alternative government for you, if and when you need it.

Canadians have rejected C.C.F. socialism, seen the collapse of the Liberal party and given their confidence to the new Conservatives. The only alternative government that makes sense in B.C. is a Conservative one.

That's why the only opposition that makes sense at Victoria today is a Conservative opposition.

THIS IS YOUR MAN...

Make your ballot WORK on September 9 by electing Craig Frazer, a worker and fighter for YOUR interests in the party Canada trusts — the party that can serve B.C. best in Ottawa and Victoria alike!

Vote CONSERVATIVE

FRAZER, Craig

Our Earl Leads Newton to B.C. Softball Title

Newton is proud holder of the B.C. Senior C Softball title this week but it took a young White Rock star by the name of Earl Ready to insure the pennant for the Surrey squad.

Ready, who is no stranger to the provincial softball scene having led Whalley to the B.C. crown in 1956, pitched Newton out of a tight spot in what proved to be the final game of the four-day five-team tourney Monday at New Westminster's Moody Park.

The 16-year-old White Rock Elgin's chucker who was chosen to perform with the Surrey champions in the playoffs led the team to a narrow 6-5 victory over Vancouver Monday in addition to winning two other games and playing shortstop in another contest.

Vancouver took an early 5-1 lead in the final game when Newton starter Denny Churchill allowed a single, two walks and a run before departing with bases loaded in the third inning.

Don Beadle replaced Churchill but allowed two more walks and an equal number of runs before leaving in favour of Earl Ready.

Ready threw one pitch to walk a batter who already had a three ball count and then settled down to pitch a sensational four-hitter.

NEWTON RALLY

Newton rallied in the eighth inning to tie the game with four runs. Ready, not content with just his pitching performance doubled home the tying run in the eighth and Buddy Churchill knocked home the winner with a bases-loaded single in the ninth.

Newton went undefeated in the tournament downing Alberni 1-0 Saturday and trouncing Vancouver 3-1 Sunday to win a bye into the Monday final.

Vancouver didn't find the road to the finals so easy, however, losing one to Newton then defeating West Vancouver 6-4 Friday. Chilliwack 10-6 Saturday and again 5-3 Monday.

Soccer Practice For 10-12 Group Saturday

First soccer practice of the season for boys between 10-12 years wishing to participate this fall will be held Saturday, Sept. 8, at 10 a.m. at Semiahmoo Park.

Uniforms will be provided but team members must bring their own soccer boots.

The White Rock team will participate with entries from Langley, Fleetwood, Cloverdale, Newton and Whalley.

SPORTS

TOWN TOPICS

By VIN COYNE.

Schools throughout B.C. opened Wednesday and all motorists were again reminded 15 mph school zones are in effect between 8 a.m. and 5 p.m. for about the next 10 months. If the importance of these zones is impressed upon elementary and junior high students as well as the motorist friction between the two will be reduced to a minimum. Many the cautious driver picked his way among cyclists and young children straggling both sides of the road about 8:30 Wednesday. The first day of school is too early to be critical of students' behaviour on the road but both school officials and law enforcement officers must attach equal importance to the young pedestrian and cyclist as well as the adult motorist.

Mayor Bill Hodson took the right attitude in stating that the proposed ban on firecracker sales in the City be left up to the public to decide. Although White Rock Halloween's have been safe and sane the last few years memories of a serious accident with firecrackers that scarred a boy for life are still fresh in the minds of many here.

Recreation leader Bill Brown has no problem when it comes to finding members for his square dance classes but the question is where to find space to accommodate those wishing to participate in the popular Dip and Dive Dance Club. Mr. Brown reports he will only have the former Recreation Hall three nights a week. Last year the well-known leader was kept busy every night, and I think that included Sundays.

Dip and Dive Club

Hold Roundup September 14

Dip and Dive Dance Club will hold a Roundup in Corner's Hall on Washington Avenue, Saturday, Sept. 14.

Bill Brown, promoter of the club, has held various open air Patio Dances during the summer at King George Rest-home.

This Roundup will be a combined night and party dance prior to commencement of the Fall and Winter classes. Mr. Brown said.

A full schedule and information regarding junior and senior groups will be published in next week's issue.

The busiest man in the world is the fellow who attempts to idle away his time.

Indoor Pool Planned by Sea Festival Society

Dream of an indoor swimming pool at White Rock may become a reality sooner than expected if plans of White Rock Sea Festival Society go off as scheduled.

Mrs. Ruth Johnson, president of White Rock Swimming Association and a member of the Society, has been asked by Sea Festival officials to approach Mrs. Edith Vidal and seek permission to call the indoor pool fund the Sea Festival-Vidal Swimming Centre Fund.

\$100 GRANT

Bill Brown, programs chairman of the Sea Festival Society, reports the 1957 Society

has granted \$100 toward the indoor pool.

Mr. Brown pointed out this is a closed fund which may be contributed to by any organization, group or individual but is primarily a project started by the 1957 Sea Festival.

He said a larger grant will probably be made next year by the Society and construction of the pool may even be underway by Festival time next year.

Mr. Brown reported the Society will start regular meetings next month with a view to planning the 1958 Festival.

Eastern Star Honours Bride-to-be

An interesting engagement announcement was made this week by Mr. and Mrs. J. Q. Crawford, of New Westminster, which tells of the coming marriage of their daughter, Miss Edna Eloise Crawford, to Corporal Allan Bennett son of Mr. and Mrs. H. J. R. Bennett of Blackburn Ave., on September 25th. The bride-to-be, a well-known Customs and Excise Officer here, was honoured by officers of the Order of the Eastern Star, White Rock Lodge No. 60, when a shower was given at the home of Mrs. Gilbert Boulter, Cook Road, on August 29th. The guest was presented with a beautiful gift of cut glass. A corsage was also presented to her and one to her mother by Mrs. W. Calderbank, accompanied by the reading of a verse composed by Mrs. H. Varley, Blackwood Street, with the best wishes of all present.

Among the guests were: Mrs. H. Mayers, Mrs. H. Varley, Mrs. M. H. J. Tillbrook, Mrs. H. Powell, Mrs. B. Ogilvie, Mrs. M. McMillan, Mrs. N. Leigh, Mrs. H. Barge, Mrs. B. Collins, Mrs. M. Ashmore, Mrs. E. Troberg, Mrs. Osmont, Mrs. Thom, Mrs. M. Eckland, Mrs. E. Hillman, Mrs. J. D. MacMillan, Mrs. R. Field, Mrs. E. L. Middleton, Mrs. G. Abbott, Mrs. W. Calderbank, Mrs. I. S. White, Mrs. P. Ballard, Mrs. J. Stevens Jr., Mrs. A. W. Saunders, Mrs. P. Poppen, Mrs. J. Tucker, Mrs. J. Hynds and Mrs. G. G. Boulter.

FAMILY REUNION

Mrs. Garnet Coburn, Columbia Ave., has had the pleasure of a family reunion for the past ten days. All five sons and their families were present. Robert, Columbia Ave., White Rock; Garnet from Camden, New Jersey; Rudick, Edmonton, Alta.; Neil from Calgary and Lorne from North Vancouver. Since the family get-together Mr. Robert Coburn and family have left for Saskatchewan on their vacation.

SEATTLE GUESTS

Visitors at "Aldersyde" during the latter part of August included Mr. and Mrs. Soffian from Mission City, Mr. and Mrs. E. J. Smith and Mr. and Mrs. Lex Warren with two great-grandchildren, also from Seattle were also guests of their mother, grandmother and great-grandmother, Mrs. E. L. Vidal.

LEGION LA LUNCHEON

A lovely pot-luck luncheon was served recently by ladies of the Canadian Legion Auxiliary, Branch No. 8, at the hall on Johnston Road, when thirty members were on hand to enjoy the late summer affair.

LIKES WHITE ROCK

Mr. W. J. Cavin who has bought a house on Habgood Street is so overjoyed at living in White Rock he says he should have come here 10 years ago!

GRANDCHILD'S BIRTHDAY

Mr. and Mrs. A. E. Axford, 15448 Victoria, gave a very

delightful birthday party for their grandchild, Paty Joe Axford of Port Moody. Other grandchildren present were: Luda and Gordon Axford, Carol and Mike McCullough, also of Port Moody, and Carol Kay from Haney.

FROM KITIMAT

Mr. Clyde Bingham, the son of Mr. and Mrs. Bingham, Maple St., was home from Kitimat to spend a few days in White Rock. Also Mr. and Mrs. Geo. Foged from Wainwright, Alta., have been guests, together with their four children, of Mr. and Mrs. Bingham.

FROM COLORADA

Two grandchildren from Denver, Colorado, Wendy and David Robinson, are at present enjoying a visit with Dr. and Mrs. L. G. Robinson, Marine Drive.

SUFFERS INJURY

The many friends of Mrs. A. McBurney, formerly of Martin St. here, who with her husband returned to Calgary after visiting White Rock just recently, will be sorry to hear she had quite a severe accident while on a motor trip to Drumheller. On leaving a restaurant she missed her footing on a step suffering injury necessitating hospital treatment. She is now back home at Calgary but still suffering shock. Her numerous friends here wish her back to normal at the very earliest.

MR. AND MRS. FREDERICK WALTER PHILLIPS, nee Connie Whittle, cut their bridal cake at the wedding reception held in the Silver Moon Banquet Room, following their marriage in White Rock United Church on August 23.

Jones-Waddell Nuptial Vows Held Here

On August 24 at 8 p.m. in the United Church, where masses of gladoli and stocks formed the decorations, marriage vows were repeated by Eva Irene Waddell and Gene Wilson Jones, RCN, in a double ring ceremony performed by the Rev. Walter Ward.

The bride is the daughter of Mrs. Eva Smith of Edmonton, Alberta, and the groom is the son of Mr. and Mrs. Albert J. Jones, 1361 Martin Street, White Rock.

The bride's floor length gown, fashioned with a lace bodice and lily point sleeves, with a net posed over satin skirt was in striking contrast

to the groom's naval uniform. A halo of iridescent pearls confined her fingertip veil which was studded with pearl stars. Her bridal bouquet was a cascade of pink roses.

ATTENDANTS

As bride's matron, Mrs. Lilian Rabb wore a blue net over satin gown with a halo of golden mums in her hair and a bouquet of the same flowers completed her charming ensemble.

The bride's brother, Mr. Robert Waddell, gave her in marriage and Mrs. B. G. Hill played the wedding music.

Mr. Phil Rimmel was best man and ushers were Jack Harvie and Naire Boudoin. At the reception in the Silver Moon banquet room the bride's mother wearing a costume of beige with blue accessories and the groom's mother gowned in navy blue with beige accessories, assisted in receiving the guests. Dr. W. S. Paterson proposed the bride, al toast and Mr. Jack McLean was master of ceremonies.

The bride's cake, made by the groom's mother and beautifully decorated by Mr. and Mrs. Jack McLean, centred the refreshment table. Out-of-town guests included the bride's mother, Mrs. Eva Smith of Edmonton; her brother and sister-in-law, Mr. and Mrs. Robert Waddell of White Horse; the groom's uncle, and aunt, Mr. and Mrs. William Champion, and children Barry and Rae, from Reston, Manitoba.

HONEYMOON
Telegrams of congratulation were read from the groom's grandmother, uncles and aunts in Tilson, Manitoba, from Mr. and Mrs. Dean, Edmonton, Alberta, and from the groom's cousins, Mr. and Mrs. Kilkeny, Broomhill, Manitoba.

For the wedding trip to the Interior the bride changed to a navy tweed suit with white accessories and a corsage of Talisman roses.

Upon their return Mr. and Mrs. Jones will make their home in Victoria.

Arts and Crafts

Opens New Season

White Rock Arts and Crafts League will open their Fall season with a meeting in the Library, Friday, Sept. 20, at 8 p.m.

Business of the meeting will consist of reports on the various summer activities and plans for workshops during the winter. Miss Elizabeth Keeling will give a report on the Arts Resources Conference, held in August at U.B.C.

Results of the summer activities of the Sketch Group will be shown in the Library during the month of September. All those with work to be shown are asked to contact Miss Keeling.

CLASSIFIED ADS FOR RESULTS

Miss Marilyn Eden Honoured at Shower

Miss Marilyn Eden of Gordon Avenue was the recipient of honor at a miscellaneous shower given by the Social Welfare Offices of White Rock, Cloverdale and Whalley at the home of Mrs. Graham Cann, West Beach, August 28.

Mrs. Freda Butcher was co-hostess at the gathering. The gifts were presented in a yellow and white frilled basket.

Guests included Mrs. W. Merner, Mrs. A. Rippon, Mrs. Helen McParlane, Miss Lorraine Dupres, Miss Proda Peeling, Miss Irene Hokanson, Miss Aletia Dinwoodie, Miss Ruth Wright, Mrs. Gloria Doubleday, Miss Chris Gould and Mrs. J. W. Petch.

CRESCENT NEWS

Mrs. John Christopherson, Sr., with her granddaughter, Miss Miriam Ruccius, have been enjoying a stay at their summer cottage on Sunnyside Road.

Mrs. Alice Smith of the Boulevard, with her two sons, have returned from Osoyoos. They report the weather was exceptionally hot.

Kent House on Beecher Street has been sold by Mr. Frank Woods to Mr. and Mrs. John Lemery of Crescent Auto Court.

Mrs. Gilbert Tulloch visited with her daughter, Mrs. George Dinsmore, after attending the funeral of her old friend, Miss Mae Burpee.

Field Day for Dog Lovers and their Friends

At the home of the internationally famous Newfound, Mr. "Perivale" Admiral Sir Timothy" and his owners and trainers, Mr. and Mrs. W. F. Cochrane of the Surrey and Delta district, a field day for dog lovers and their immediate friends and relatives was held.

The primary occasion was the post-baptism reception in honour of a newly-arrived Cochrane. Deborah Ann, at the charming home of her parents, just off Scott Road. Christening took place at St. Helena Anglican Church with Rector Hatfield officiating. Included in the score of relatives and friends were noted: Mrs. O. F. Hanington; Miss Ellaline Hanington; Godmother and aunt Miss Dorothy Steele; grandfather and grandmother, Mr. and Mrs. E. Steele and Mr. and Mrs. C. J. G. Brabant all of Vancouver; Mr. and Mrs. J. F. Grain, ger, godfather and godmother, of Surrey, baby Deborah's uncle and aunt, Mr. and Mrs. George A. Relf, Delta; Mr. and Mrs. Norman Wardlow, Delta, and Mr. and Mrs. A. E. Reed, White Rock.

What intrigued this coronation was the array of ribbons won by Admiral Sir Timothy and upon inspection he found a total of 69. His first one being in the "Working Dog Class" at the Kiwanis Dog Show, Vancouver, and his most recent one won at the 1956 PNE "Working Dog Class" of the Dog Show.

In between these two he has won prizes at Connecticut, New York, San Francisco, White Rock and other B.C. shows. Truly a record to be proud of.

A. E. Reed.

(Continued from Page 1)

cent. No other province pays this high a figure, he pointed out.

Speaking on the public debt, the Minister drew attention to the Social Credit governments' accomplishments, he said, "I know of no other place where the government has been able to reduce the overall net debt, stop borrowing, pay for everything as you go, and at the same time reduce the overall taxation level." This, he said, is unique, in the history of governments.

BULLDOZING

Surrey Briefs

Dates of the court of revision in 1958, have been announced to Surrey council by the lieutenant-governor in council, Surrey's court of revision will be held in the municipal hall on Feb. 3. The date in White Rock will be Feb. 4 in the White Rock city hall.

Surrey Memorial Hospital will receive a grant in lieu of taxes from the municipality in the amount of \$322.83. This covers general and school tax figures, but the society will still have to pay \$23.35 in special taxes which includes fire protection.

Roads to the Surrey Memorial Hospital will not be done by council this year. Council referred the hospital road program to next year's council because the hospital will not be completed until then.

W.R. Entrants Take PNE Prizes Galore

Again proving that White
Rock and its surrounding dis-
trict is a veritable gardener's
paradise, the lists of PNE
prizes are crowded with names
of local entrants and winners.
Livestock and poultry raising
also brought many prizes.

In the livestock judging
winners included: R. G. Oard,
winner, winning awards with
"Prince," "Cricket's Show Boy"
and "Picks"; Faith Hoy,
"Tinker."

Top winners in Floriculture
were W. Jones; Frank Judd,
Poster Street; Thos. P. Alex;
P. C. Perry; James Herdman;
Mrs. Lydia Fulton and Judy
Fugley.

Big winner again this year
in the poultry entries was lo-
cal poultry raiser Lloyd Lewis
and Son, of Johnston Road,
who walked off with a total of
30 awards, besides capturing
the PNE Championship Tro-
phy Trio and best medal cer-
tificate, Lightweight.

Rabbit section winners were:
Inglewood Rabbitry, 5 awards;
D. Swaze, Blake Road, 13
prizes and International Cup
for Best New Zealand White
as well as the Miracle Tro-
phy to exhibitor winning most
points in the show; B. C. Hill,
Sunnyside, first, New Zealand
White, Doe; Z. Trelewin, Blake
Road, first, children's class
and Vancouver Province Silver
Cup for best rabbit in child-
ren's class.

Livestock judging winners
were: R. Durand, one first,
four seconds and two thirds
for calves.

Crescent Beach Shamrock
Farms was a top winner in the
Water Fowl class winning 15
awards.

Crescent Beach Loses Well-known Resident

Crescent lost one of its best,
known residents in the pass-
ing of Laverne Adams in the
White Rock Hospital on Fri-
day night. For many years
Mr. Adams operated a real
estate and insurance business
on the beach, where his
cheerfulness and quick wit
in spite of the many years in
which he endured the crimp-
ing effects of arthritis inspir-
ed those who came in touch
with him.

Mr. Adams had a keen in-
terest in all public affairs
and was an ardent supporter
of the Liberal Party through-
out his life. His passing will
be felt by all Crescent resi-
dents and the sincerest sym-
pathy of the community is ex-
tended to Mrs. Adams in her
loss.

Mrs. W. W. Hastings was
rushed to the Vancouver Gen-
eral Hospital last week where
she underwent emergency
surgery. Mr. Hastings reports
she is recovering nicely and
is her usual cheery self. Her
many friends wish her a
speedy recovery.

The Canadian Red Cross is
active in almost 1,300 Cana-
dian communities.

7 IMPORTANT REASONS WHY NATURAL GAS IS THE IDEAL HOME HEATING FUEL!

- 1 Economy** — You don't pay for storage bins or tanks. You don't tie up money in idle fuel. Gas rates are relatively stable and are subject to government regulation. Gas equipment usually costs less to install and requires very little maintenance.
- 2 Convenience** — No furnace tending, no hauling ashes, no fuel ordering worries, no delivery problem. Just a flick of a thermostat gives you the heat you want.
- 3 Dependability** — Regardless of weather, your gas supply is steady, dependable. Cold snap fuel shortages are eliminated.
- 4 Quiet Heat** — Compared with other types of automatic heating equipment, gas is exceptionally quiet — this is especially important for homes without basements.
- 5 Cleanliness** — No soot or ashes. Your home stays cleaner — needs decorating less often.
- 6 Safety** — An automatic pilot light ignites the main burner, and the main gas valve automatically shuts off if, for any reason, the safety pilot goes off. Non-poisonous Natural Gas heat is enjoyed in millions of Canadian and American homes.
- 7 Choice of heating units** — More types of heating units available for Natural Gas than for any other fuel. There's a packaged gas unit ideally suited for your home.

**SEE YOUR B.C. ELECTRIC OFFICE NOW
ABOUT NATURAL GAS HOME HEATING!**

Ask about the B.C. Electric Budget Billing Plan that lets you spread cold-weather heating costs over most of the year in equal monthly payments.

The B.C. Electric will convert your present propane gas appliances to Natural Gas—and new appliances will be checked at time of installation.

Natural Gas is the ideal fuel for cooking, water heating, and clothes drying... the more Natural Gas appliances you use, the greater value you get from gas service.

Deposits: Sunnyside Hall, every Thursday, 1:30—4:30 p.m.

The Library serves 8409 students in 37 elementary schools in School District No. 36.

Ocean Park

Mr. and Mrs. John Seamore and daughter of Port Alberni spent a few days this week with their uncle and aunt, Mr. and Mrs. M. G. Thompson, 20th Ave.

Mrs. L. Laronde returned home on Monday from a six weeks visit with relations in Moose Jaw and vicinity.

Mr. C. Uren, North Bluff Road, is a patient in White Rock Hospital.

Mr. and Mrs. J. R. Stubbs of Sylvan Ave., are holidaying in the Cariboo.

Mr. and Mrs. C. Bullen of Deep Cove visited friends in Ocean Park on Thursday. On their return they were accompanied by Miss Ruth Laronde, who will spend a few days as their guest.

Seldom do a man's actions tally with his good intentions.

Clubs Lodges

The next meeting of the White Rock and District Horticultural Society will take place on Tuesday, Sept. 10 in the United Church Hall at 8 p.m. Mrs. E. Spangler will speak on "Flowers of the Yukon." Parlour Show. Visitors welcome.

Seldom do a man's actions tally with his good intentions.

DEPARTMENT OF FISHERIES' publications are used by educational authorities across the country. Write to the Department of Fisheries, Ottawa, for the booklets shown here. Available to the general public, 25¢ each.

Putting fascination into education

CREATING A GREATER public awareness of our country's fishery resources is one of the responsibilities of the Department of Fisheries of Canada. Its Information and Educational Service seeks to show present-day Canadians how this natural heritage is being maintained for future generations through proper conservation and management.

This work is carried out through the daily and weekly press; radio and television; magazines; educational publications; recipe pamphlets for housewives; exhibitions; permanent fishery displays; film and filmstrip showings; and illustrated educational talks to groups of fishermen.

Such is the standard of the Department's booklets that they have found a ready acceptance by school and other authorities. Most of this material is obtainable by students, teachers, private organizations and individuals.

RECIPE OF THE WEEK

Back to school means lunch boxes to fill for many mothers these September days. New recipes for the ever-welcome cookie to round out the mid-day meal for healthy youngsters are usually in great demand. I am giving you one this week sent me by an Ocean Park friend which I am sure you will enjoy making. I have tried them myself and found them delicious and easy to make. If Junior does not eat his breakfast cereal you can make sure he gets some of it through the addition of two or three of these truly "yum-yum" confections in his lunch kit.

CORN FLAKE DROP COOKIES

- 1/2 cup butter or margarine
- 1 cup brown sugar
- 1 egg
- 2 teaspoons orange rind
- 1 teaspoon orange juice
- 1/2 teaspoon vanilla
- 1/2 teaspoon salt
- 1/2 teaspoon soda
- 1 cup flour
- 1 cup crushed corn flakes
- 1/2 cup chopped dates
- 1/2 cup chopped walnuts

Cream butter and sugar and add egg and beat well. Add flavourings. Sift flour, salt and soda and add to the butter mixture. Then mix in corn flakes, dates and walnuts. Roll in small balls the size of walnuts and place on a greased pan. Bake at 350 degrees.

Marine Drive.

Mrs. John Kerster

Crescent Residents In Car Accident

Two Crescent residents had the misfortune to be involved in separate car accidents last week.

Miller Lougheed's car was hit in the rear by a transport truck when he slowed down to allow the car in front to make a right-hand turn off the King George Highway onto the Colebrook Road. Except for being shaken up Mr. Lougheed escaped uninjured, but his car was severely damaged.

Mrs. Lionel Kent was also involved in an accident while driving her car in Vancouver. At the time of writing it is believed Mrs. Kent was not injured in the accident.

Mrs. N. W. Williams and Julia arrived home Thursday from Victoria where they have been holidaying for a few days.

Mr. and Mrs. Gordon Ridley and family and Mr. and Mrs. S. Hamilton and family spent the long weekend camping at Warm Beach, Wash.

Mrs. H. G. Wade has left the White Rock Hospital where she was a patient for 10 days and is convalescing at the home of Mr. and Mrs. E. E. Wade. Also visiting the Wades this week is Mrs. S. B. Wade and sons from Jordan River. Joining the family group on Sunday were Mr. and Mrs. W. H. Munro of Port Kells, and on Monday Bob Wade arrived from Jordan bringing his sister Lyn who has been holidaying with him.

There are 115 powdered milk manufacturing plants in Canada.

New Design Postage Stamp for Royal Visit

The Honourable William Hamilton, Postmaster General, has announced the details of the new design postage stamp which will be issued to com-
memorate the visit to Canada in October of Her Majesty Queen Elizabeth and Prince Philip. The stamp will be issued for sale to the public on the 10th October, 1957.

The stamp portraying the Queen and the Prince in profile was designed and engraved by the Canadian Bank Note Company Limited from photo-
graphic portraits prepared by Karsh of Ottawa. The colour of the stamp will be black.

This special issue will be of the five cent denomination and slightly larger than the small size stamps now in use that portray Her Majesty, but will be distributed in panes of one hundred stamps each.

The man who lives only for himself runs a mighty small business.

Laid to Rest

BIROSH — Passed away Aug. 25, 1957 at her residence, 1328 "G" Street, Anna Birosh, widow of the late John Birosh, age 92 years. New Teachers To Be Welcomed at Tea

The Board of School Trustees of School District No. 36 is holding a welcome reception for the new teachers to the district at the Queen Elizabeth High School.

The announcement was made by C. D. Christian, new secretary-treasurer of the Board.

The tea will be held on September 6, commencing at 1:30 p.m.

Church of Ascension Vicar Arrives In Crescent Beach

The Executive of the W.A. of The Church of the Ascension, Crescent, met in the S.S. room on Thursday afternoon to make tentative plans for activities for the Fall season.

It was announced that the Rev. D. McKinnell and family are expected to arrive in Crescent during the weekend from Golden.

Rev. Mr. McKinnell has been appointed vicar of the parish of Crescent and Ocean Park.

Cloverdale Witnesses Assembly Draws 700

Last Friday evening saw 700 Witnesses of Jehovah assemble at the Valley Curling Rink in Cloverdale to receive instruction from the Bible. Many local ministers took part in the program for the evening outlining the theme of obtaining accurate knowledge of the Bible.

Some of these were A. McConkey and A. J. Sutton of White Rock; G. Nelson of North Delta; E. Young of Langley; G. Creelman, A. Ogren and D. Rogers of Whalley; and F. Coleman of Newton.

Saturday afternoon A. M. Didur of Toronto spoke to nearly 500 people on the subject of "Dedication and Baptism." Of this number 20 were candidates for Immersion.

COMING EVENTS

White Rock Choral Society will meet in Buena Vista Hall Monday, Sept. 9, 1957, at 8 p.m. New members welcome.

White Rock Branch of the Canadian British-Israel Association will hold a meeting on Wednesday, Sept. 18 at 2 p.m. in the White Rock Lodge. Speaker Mr. Gladwin. Every one welcome.

The card parties held on Monday nights by the Ladies Auxiliary to Branch No. 8 at the hall off Johnston Road will commence on Sept. 9 at 8 o'clock sharp. Cards, bridge and whist with refreshments. Admission 35 cents.

The Ladies' Auxiliary of the Canadian Legion No. 8 in the hall on Johnston Road are having an afternoon card party on Sept. 11 commencing at 2 o'clock. Admission 50 cents, with refreshments, and door prize.

FACTS OF LIFE

Does the EVANT CENTER OF A WHEEL TURN?
YES, ALTHOUGH MANY PEOPLE BELIEVE THAT IT DOESN'T. THE U.S. BUREAU OF STANDARDS STATES, "IF THE WHEEL TURNS, THE CENTER DOES ALSO."

The "turn" today is towards NATURAL GAS. For the latest information on availability and free estimates to install heating, water heating or cooking, see us NOW.
